

NOUVELLE-AQUITAINE AOP / AOC WINES

新阿基坦大区AOC法定产区葡萄酒

Covering 216,000 hectares of vineyards in production*, i.e. 30% of France's national potential, Nouvelle-Aquitaine winegrowing ranks 2nd nationwide in terms of French winegrowing areas. For several years now, the Region has been intensifying its commitment to biodynamics and reasoned wine production.

With Bordeaux and Cognac internationally renowned wines as its driving force, the Nouvelle-Aquitaine vineyards produce wines of all colours and offers a wide variety of products such as spirits (Armagnac, Fine de Bordeaux) or vins de liqueur (Pineau des Charentes, Floc de Gascogne). The Region also boasts unique, lesser-known grape varietals including Manseng, Gros Manseng, Abouriou and Petit Courbu.

新阿基坦大区葡萄园种植面积达到216,000公顷，占法国葡萄园种植面积的30%，因此是法国第二大及最重要的葡萄酒产区之一。近几年，新阿基坦大区专注于生物动力法及向合理农业种植的转化。新阿基坦大区因其著名的波尔多葡萄酒及干邑而闻名全球。同时，新阿基坦大区的美誉也来自其产品的丰富性和多样性，例如，雅文邑--一种葡萄蒸馏酒，一种历史悠久的新阿基坦大区烈酒；利口酒--包括夏朗德皮诺酒、福乐克酒。新阿基坦大区也拥有其地区特色的葡萄品种：大满胜、小满胜、阿布修、小库尔布。
